

Student Financial Need & Capacity Assessment Form

This form will assist the administration of Pan-Africa Theological Seminary in establishing potential students' financial needs and their capacity to provide for their required financial commitments to the seminary such as tuition, room & board, fees, etc. during the time that they will be enrolled in the doctoral program at PThS.

It is anticipated that every church which recommends a student to PThS will be willing to provide financial assistance to that student for training. It is also expected that individual students understand that they are ultimately responsible for obtaining all the funding that is required to meet their financial commitments for doctoral studies at PThS. In addition, individual students may apply for scholarship assistance at PThS. It is important that the student and sponsoring church recognize that scholarship assistance is not implied by the seminary when it admits a student. When scholarships are awarded they will be partial, the amount being determined by the scholarship committee based upon financial need, individual circumstances and the availability of scholarship funds.

Please read and answer all the questions completely and conscientiously to the best of your ability as completion of this form is required for consideration for scholarships if available.
